# CAROLYNE MUNENE

## NURSING PROFESSIONAL

## PROFILE

Compassionate and dedicated nursing professional bringing 20 years of hands-on healthcare experience to a Registered Nurse role. Anticipating an ASN degree in 2025, with proven skills in patient-centered care, medication administration, and vital sign monitoring. Bilingual in English and Swahili, seeking to apply extensive clinical knowledge to improve patient outcomes on a med-surg floor.

## EXPERIENCE

### CERTIFIED NURSING ASSISTANT

Carleton Willard Village

2008 - Present

- Provided compassionate care for a caseload of 10-12 residents, assisting with personal hygiene, mobility, and daily activities.
- Monitored and recorded vital signs for up to 15 patients per shift, ensuring 100% accuracy for patient safety and records.
- Fostered a positive and supportive environment, resulting in consistently high patient and family satisfaction.

### CERTIFIED NURSING ASSISTANT

Life Care Center

2005 - 2008

- Delivered high-quality care to a diverse patient population of 20+ residents with varying levels of need.
- Collaborated with a multidisciplinary team of 10+ nurses and therapists to implement effective patient care plans.
- Assisted with safe patient transportation and daily activities, ensuring comfort and well-being.

### DIRECT CAREGIVER

Fidelity House Inc.

2005 - 2008

- Provided daily living assistance and personal care for 8 residents in a group home setting.
- Administered daily medications to 8 residents, adhering to strict safety protocols and maintaining 100% accuracy in documentation.
- Championed residents' independence by providing tailored care and support based on individual goals.
